

# Your support is our strength

Your support and commitment to Friends of Second Marsh is imperative for building on our proud history of protecting and preserving one of the largest and most significant coastal wetlands on the Great Lakes.

Friends of Second Marsh relies on the support from individuals, corporations, foundations and various levels of government to fund our programs. Every financial, in-kind and volunteer commitment to Friends of Second Marsh is very much appreciated.

We would like you to continue to stay involved with Friends of Second Marsh and ensure that you keep receiving our *Wetlands & Wildlife* newsletter. Please fill out the gray section with your contact information. Please help us reduce our ecological footprint by providing your email address.
